EDITOR'S NOTE

Valencia High School has once again retained its leadership, power, and pride as one of the most powerful and successful schools in Orange County.

After twice, unselfishly splitting itself in half, just to form two rival schools, Valencia has suffered through four hard years. These years were spent recovering from the student population loss. Although Valencia's high standard of academics remained the same, sports, activities, and pride decreased.

A new and unique year, 1977-78 was filled with completed changes and for future changes. It was a year where once again students were proud to be seen on the Valencia High School campus, proud to get involved in activities and proud to watch our winning athletic teams.

Several changes that took place this year on campus, were a new paint job that gave the buildings some class, the planning and carrying out of the remodeling of the entire campus, and the designing and first construction of a 2 million dollar gymnasium.

Activities attracted great participation as spirit week, homecoming, Sadi Hawkins and the prom marked major events of the year.

With a fresh start, athletic teams proved that Valencia was once again a power to be recognized. Football had its first winning season in four years, Basketball had its second winning season and Baseball worked their way to a successful season. Boys' Varsity Cross Country team gave to Valencia its first CIF championship. Their thousands of miles of running during the past years, never giving up or doubting themselves, was the backbone of Valencia's athletic comeback.

Because of this year, filled with changes and the return of Valencia's tradition, we have designed this yearbook to cover the events that took place in a different and unique way. Each section has its own cover and story to tell. Put together, these sections show how Valencia has made a strong comeback.

Without change in this day and time, you will never keep up your tradition. Valencia is now a perfect example of this statement.

Paul Gilbert

Remodeling Adds New Changes

A new, youthful look on Valencia's campus has improved the atmosphere. There are three phases of major changes scheduled to take place over the next five years.

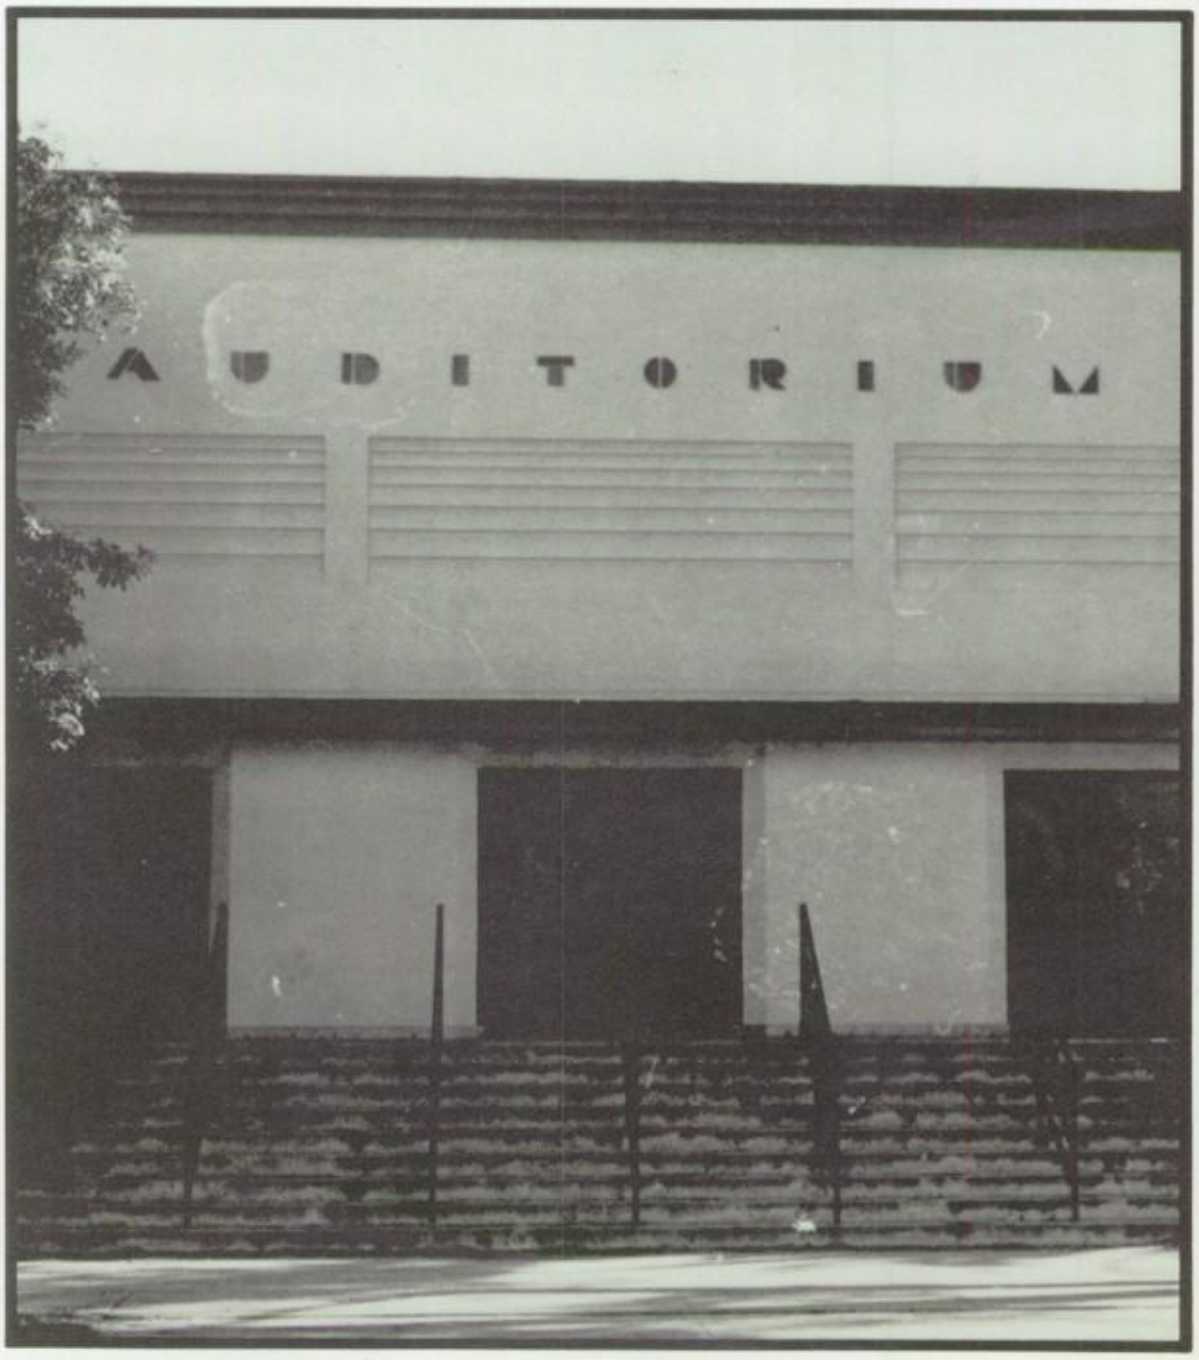
After much deliberation and many proposals Davis-Dahaime Associates were hired as the prime firm of architects to construct a new gym. This first phase of rejuvenation will begin in April of 1978 and be completed by December 1, 1978. It will have a seating capacity of 1,800; 1,000 greater than the current gym.

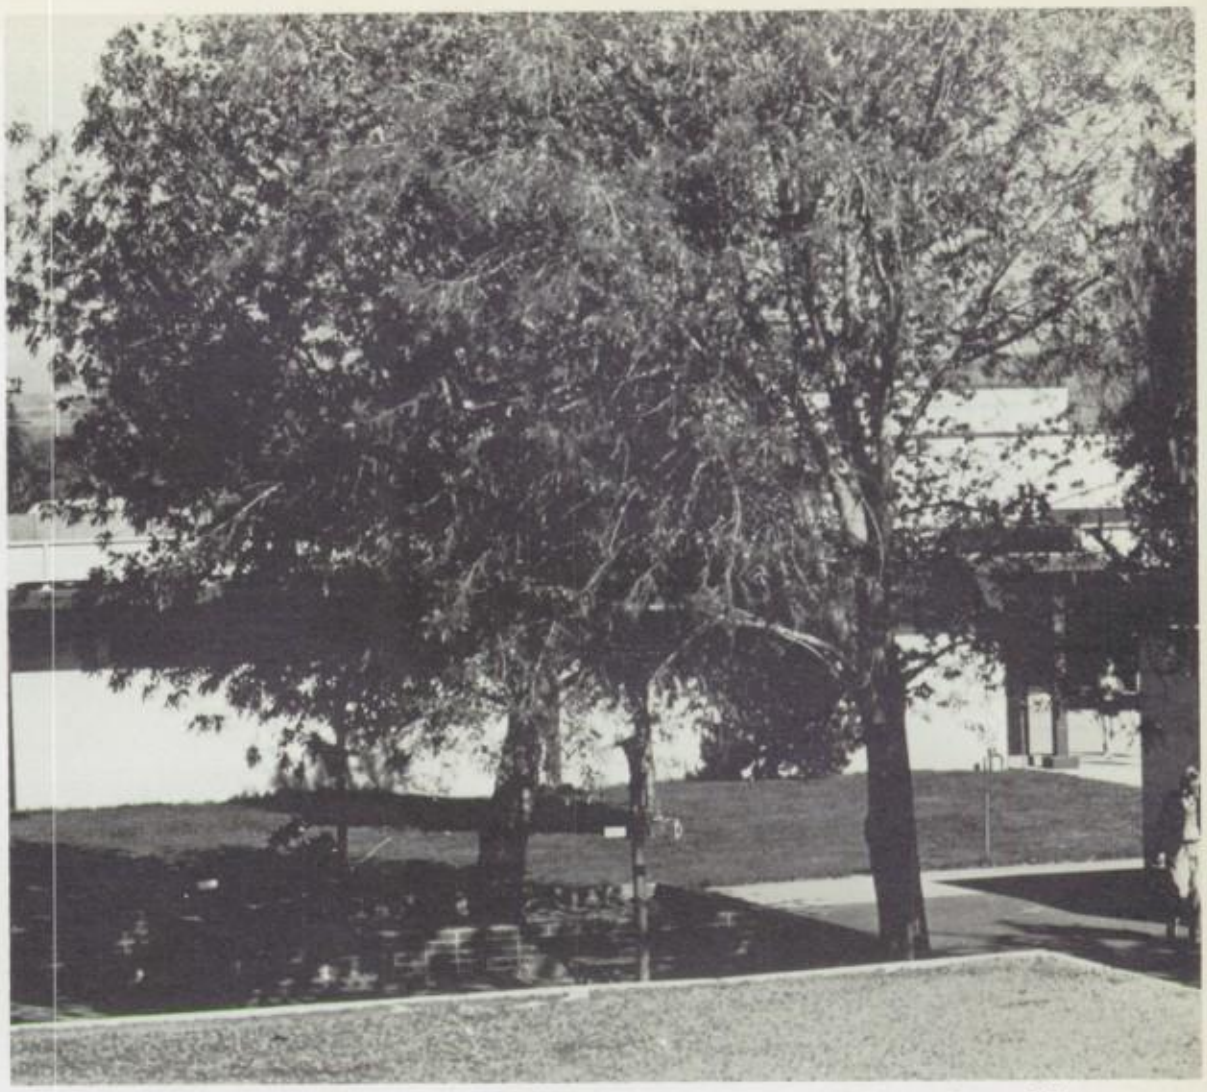
Officials and administrators wrestled with the idea of remodeling the old gym but estimates proved it would be expensive. It will remain on campus, however to be used for dances and will enable two sporting events to be held at the same time.

Tearing down the metal shop, drama and English halls, and the auditorium entrance makes up part of the second phase of construction. This will remodel and update the structure and leave room for more classrooms.

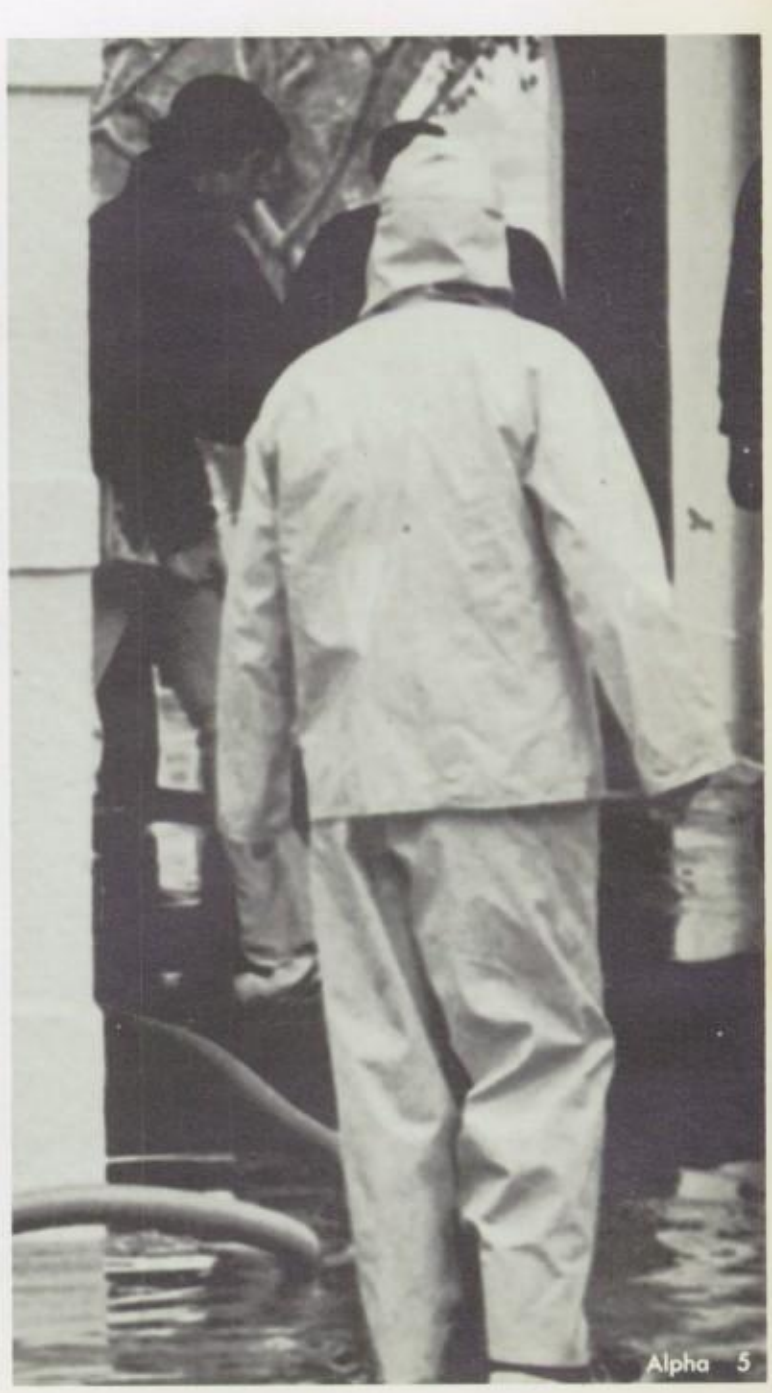
Phase three, now in progress, began in the fall of 1977. This calls for repainting, recarpeting and a general "cleaning up" to beautify the buildings, representing five generations of construction.

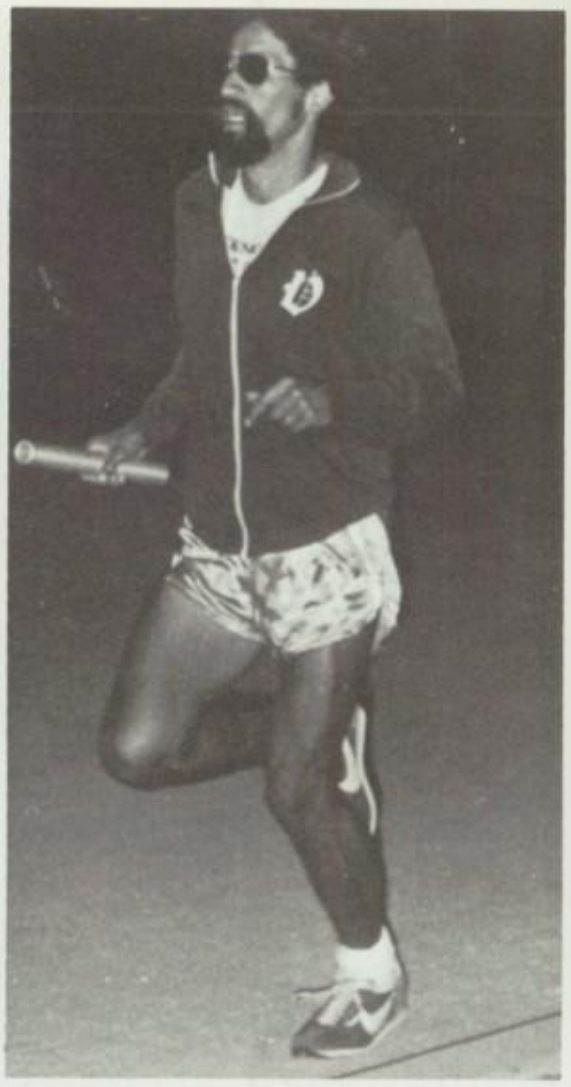
Students need not worry that these alterations will change the character of their campus. Administration has been careful to insure that they do not uproot our majestic trees or tear down our tradition.





Above left — Painter puts the final touch on English building during Phase Three of remodeling program. *Above right and bottom left* — Valencia prides herself with upholding tradition of having and maintaining a "green" campus. *Bottom right* — Rain posed a delay when water flooded many areas on campus.





Staying on campus from 7am-4pm may seem long to the average student but for faculty and administrators these hours vary from arriving earlier to staying later.

They are hired to teach and run the school properly but their efforts usually go beyond the call of duty. Much of their own time is spent chaperoning dances, supervising athletic events, being advisors of extra-curricular activities, while they are also PTA members and are active in organizations outside Valencia High School.

Helping students with personal problems as well as school problems is a main concern of the administration. The student body often overlooks the responsibilities of school officials but should always remember that they are people too.

Faculty and Administrators Show Tiger Pride Through Activities

Classes Congregate With Pride

Before the first week of school has ended Seniors, Juniors and Sophomores have already staked out their respective territories in which they meet daily throughout the year.

Guarding the exclusive Senior quad, the class of '78 keep tradition in their hearts, freshmen in their trashcans and administrators on their toes.

Juniors show unity by gaining permission to connect benches with chains forming their own special quad.

Planters in the middle of campus is the center for Sophomores. Noon sees their area crowded while most upperclassmen go out to lunch.

Only freshmen are left to wander aimlessly through crowds. Perhaps next year they too will find a spot of their own.

Top right and left — Sophomore guys spent much of their free time "munching out" and meeting in regular places, such as the planters and the area around the drama building.

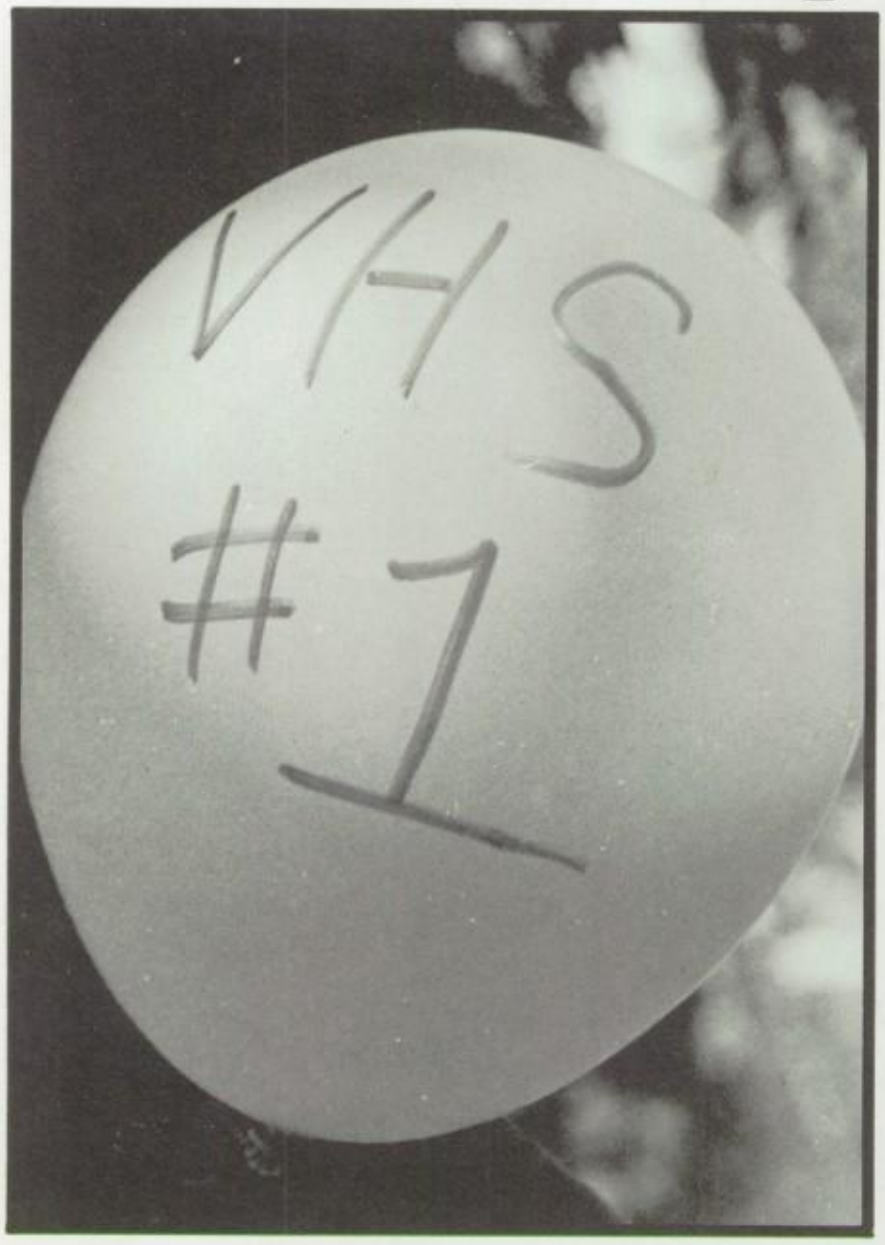
Victory Stands Out As Valencia Keeps Tradition Alive



Victory has been an overall reality throughout the 1977-78 school year at Valencia. A larger student enrollment has promoted more school spirit with each class vying it's the best.

Athletic events brought spirited pep rallies, enthusiastic crowds and many victories. Valencia lit up scoreboards with high points, added more trophies representing its winning tradition and watched their victory flag fly high.

Participation in school activities has increased, as has student support for these organizations. Whether at games or dances, crowds are always present to honor their Alma Mater.

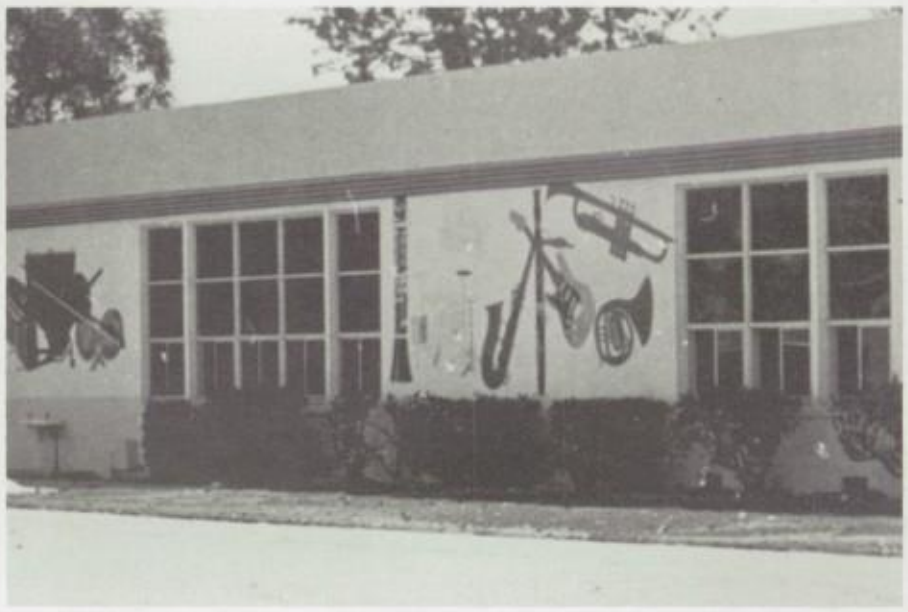
The Art Club planned a spring art show and sale with a dual purpose of providing members an opportunity to display and sell their work and to call public attention to the students pursuit of artistic intelligence.



DISCO DANCE CLUB ROCKS VALENCIA

The Disco Dance Club was formed with the objective of promoting more dances and assisting students in dancing techniques.

Although the club was new this year, it sponsored a dance that was unique in that a twenty-four hour dance marathon was the main highlight.

Furthermore, to continue developing school events which are unusual has now become an additional goal of the club. However club members would like to see the dance marathon become a tradition.

The students in the club see dancing as a skill which can be continually improved. They strive to develop their style and technique by dedication and practice.

BOWLING CLUB

The Valencia bowling club met weekly on Fridays at 3:00 p.m. at College Bowl. Club membership was open to anyone interested in bowling. Beginning bowlers joined with experienced bowlers to have fun and improve their game. Trophies were given at the end of the season to the first and second place team, team high series, individual high game and high series and most improved bowler. This year's officers were: Tom Vickery, president and Gwen Humphries, secretary/treasurer. The Career Club started its first year at Valencia with several goals: to develop a career speakers program that would give all interested students a look at some varied occupations; to provide a climate for club members to explore career areas on an individual basis, and to have fun in the process with the first two goals.

With a small nucleus of dedicated students, the club has accomplished their goals.

The club has sponsored over eighteen speakers this year from all walks of life with many students attending these programs.

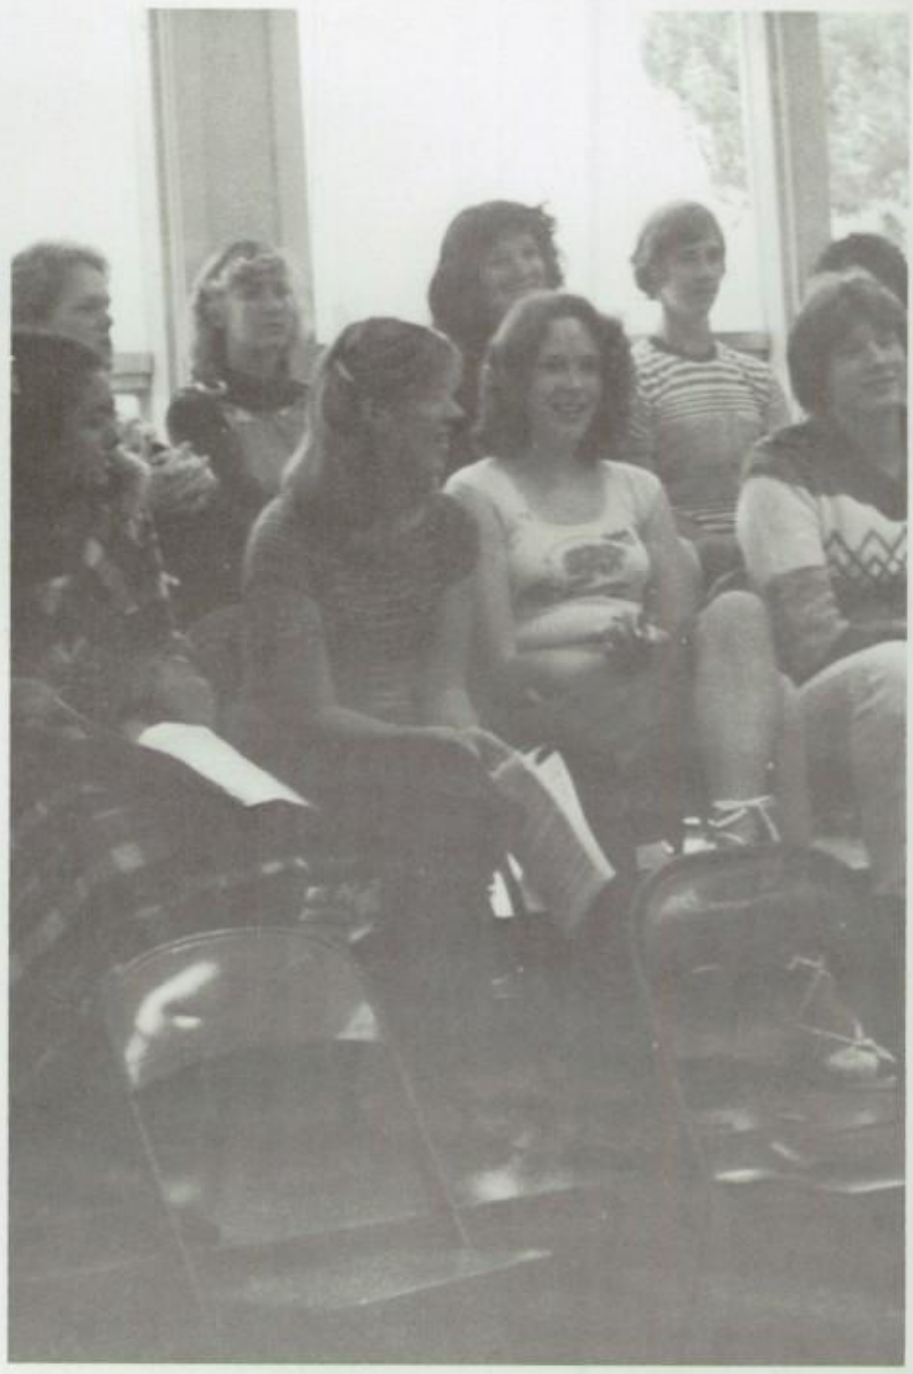
Its main goal and purpose is to better chicano students outlooks on future plans and goals. C.S.U. is a very active club on campus that has been in existence for many years.

CHOIR, ONE OF COUNTIES BEST



Valencia's Concert Choir is an auditioned group of 40 singers. Concert Choir is the backbone of the Vocal Music Department and every singer is dedicated to making music to the best of his ability.

Concert Choir is the place to be if you want to be active. They have performed for the Woman's Round Table, sung Christmas Carols at Buena Park Mall, and performed for the PTA. Future performances are the Jester Hairston Festival, Valencia's Pops Concert and Music in our Schools Week in April. Also, two music festivals in May and a Spring Concert in June.

Sue Gilbert plays piano as Mr. Kean leads choir. Much dedicated practice such as this was the key to the choir's success this year.

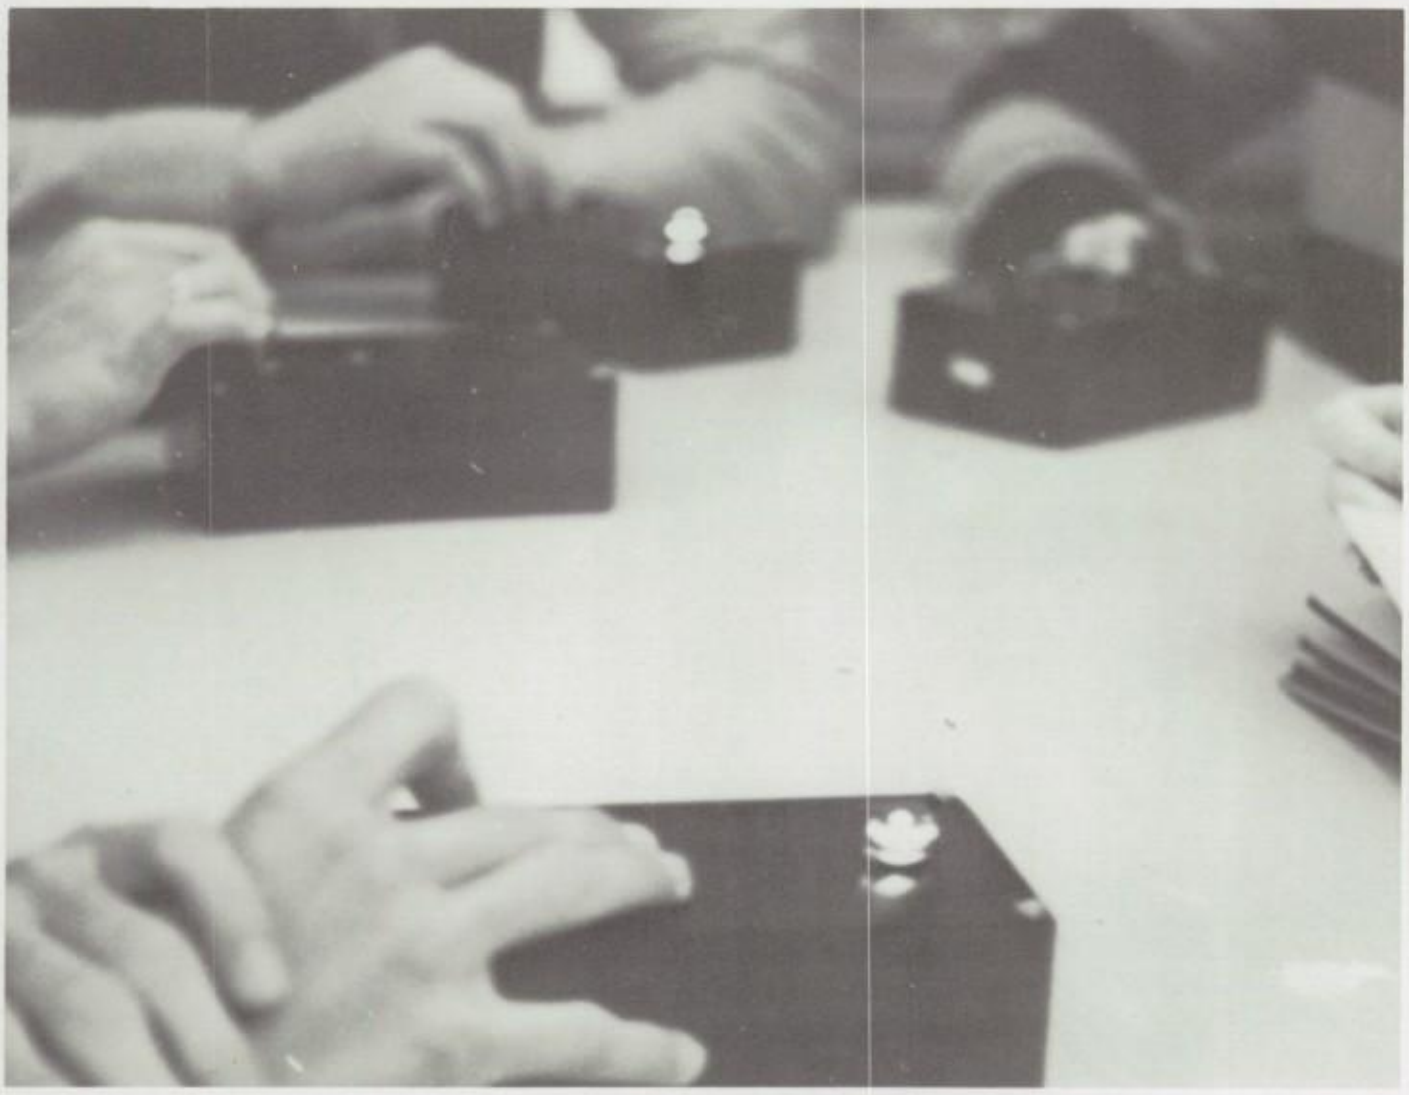
KIWANIS BOWL ATTRACTS SUCCESS

Competing against other Orange County high schools, the Valencia Kiwanis Bowl team represented the tigers in a battle of speed and intelligence.

Team members practiced answering quick questions using electronic buzzer system.

Based on the old television show "College Bowl" the actual competition was in being able to answer trivia questions faster than the other team.

Left — Kiwanis Bowl Teammates — *From left* — Mike Grismer, Deanna Wasson, Mike Porter and Janet Terpy practice skills with adviser Kay Kerby. *Bottom left* — Success in the Bowl depends on being tensed and ready.



DRAMA CLUB SUCCESSFULLY PERFORMS

The Drama Club grew substantially this year, from several members to over 50. The department's main goal was to get students involved in the many facets of theatre, and teach them the ingredients of a professional show. Costuming, make-up, acting, and directing are a few of these areas. Another goal that the drama club achieved was the combination of ideas and various cultures into a melting of theatre. The Drama Club, under Stan R. Crane, staged three successful events. They were "The Effect of Gamma Rays on the Man in the Moons Marigolds", "The Roar of the Greasepaint, Shell of the Crowds," and "Brigadoon."

ENTERTAINMENT UNLIMITED CLUB

The Entertainment Unlimited Club was formed this year to bring students together in common experiences provided by entertainment events. The nucleus of events has been trips to Hollywood Studios to see tapings of shows such as "Happy Days", "Three's Company", "Welcome Back Kotter", and "Maude." Over a dozen trips were sponsored by the club this year. Also the club sponsored the trip to see "Beatlemania" funded by a Bunny Gram project before Easter and a refreshment booth at the Miss Placentia Pageant. Bruce Kittelson was advisor.

PHYSICS CLUB HAS NO PROBLEMS

A newly formed club on campus, first started last year, was the physics club. Only two members were active in the club this year. They were Tom Mirek and Wayne Norman. One of the club's highlights of the year was when they buried a calculator that died. Much of the physics club members time was spent figuring, computing and calculating.

F.F.A.

The Future Farmers of America, under the leadership of Mr. Horan, consistently have one of the best agricultural farms in the county. They work hard, doing various chores and odd jobs, learning how to raise animals and prepare them for various exhibitions and contests.

Like the past several years, the F.F.A. entered a float in the homecoming parade.

Future Farmers of America — *Kneeling — (left to right)* Debbie Reeves, Michelle Smith, Scott Holspaugh, Ruth Parker, *Second row* — Marty Steelman, Daryl Kelly, Cheryl Eads, JoAnna Worker, Joe Galleger, Beverly Hardaway, David Liberino, Mike Contoneo, Mareen Gallager, Sara Weis, Lynn Sellmeyer, Nancy Boiserano, Mr. Horan, Colin Campbell, Dara Anderson, Kerri Barton.

FORENSICS GIVE OPINIONS

Speech and debate participated in a number of tournaments, including varsity debate and individual events.

Pat Kelly, Mike Melcher, and Pat Burke competed in the Lion's Club speech contest and Burke took second place in the American Legion speech contest.

The forensics club also participated in Congress and State National Qualifying.

Many new members were involved in the forensics club this year.

FRENCH CLUB PARTICIPATE

Valencia's chapter of the Societe Honoraire de Francais was inaugurated this year.

The French Club planned and put on the installation of our new French honors society, an organization for honor students in French sponsored by the American Association of Teachers of French.

Valencia's French Club invited students from El Dorado and Esperanza to share in the installation celebration which included refreshments and a French movie. Deanna Wasson, president, was in charge of the arrangements.

French Club — *Front row — (left to right)* Elaine Schmidt, Donna Seacord, Sandia Alvarez, Debby Howe, Kim VanHooser, *Back row* — Lori Campbell, Matt Travis, Daren Walsh, Ray Larabee, Ann Marie Jancek, Ramona Wilson.

GIRLS LEAGUE

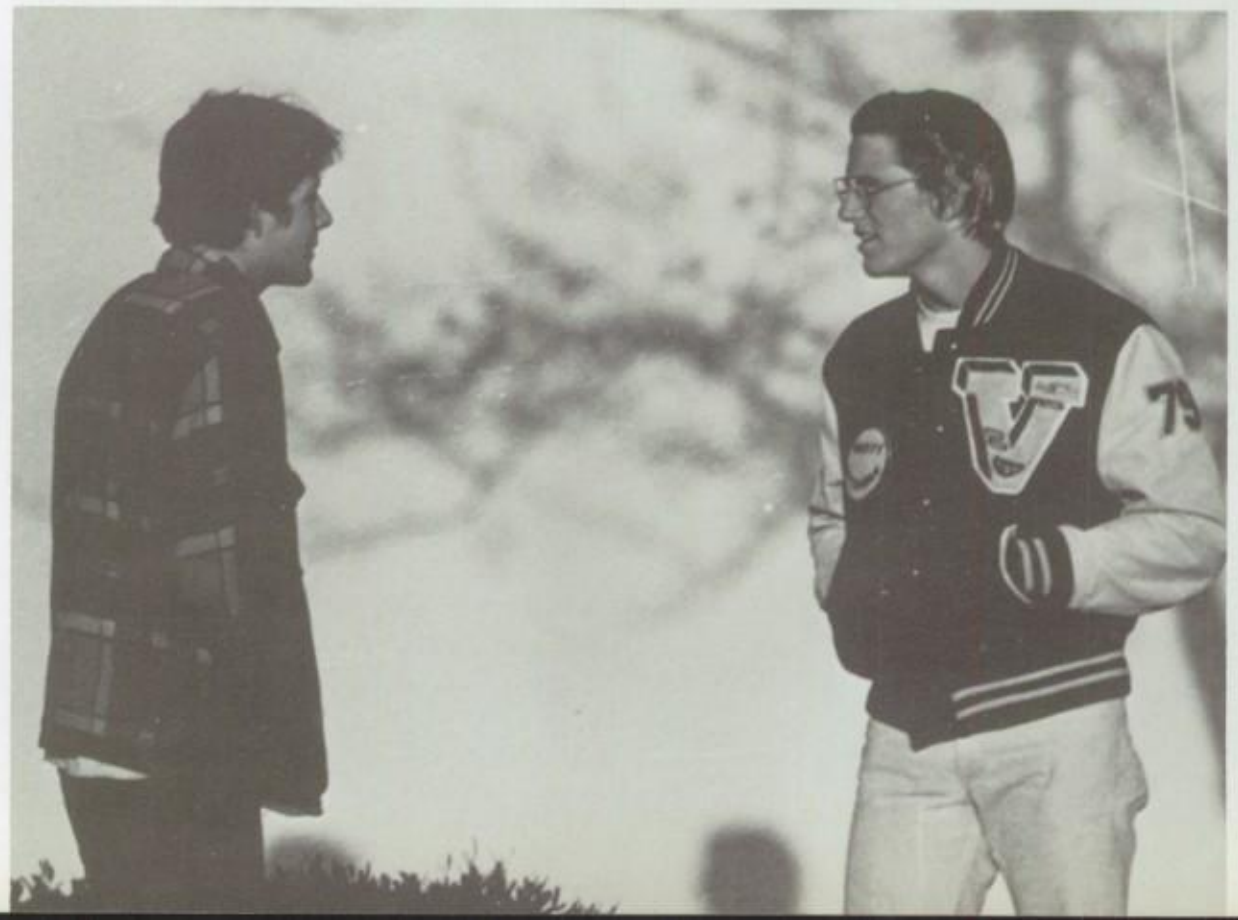
Girl's League — *Front row — (left to right)* Shari Ozima, Jenny Arnold, Laurie Ardent, Gwen Humphries, Lori Campbell, *Back row* — Cathy Cassota, Renee Foisy, Karen Lash.

The main project this year for the Girl's League was the annual Sadie Hawkins Dance. This year's Sadie was probably the most successful in a long time. Thanks to student council and a hardworking nine members, Sadie Hawkins ran smoothly and efficiently. Girl's League could be one of the most successful clubs on campus but is hurt by lack of participation.

LETTERMEN WEAR JACKETS PROUDLY

The Lettermen's Club sponsored another successful varsity basketball tournament this year which was won by the Tigers for the second year in a row.

The Valencia Varsity Lettermen's Club was again active this year in sponsoring a successful Lettermen's Club basketball tournament. The annual tournament was held in early December. The lettermen were in charge of hosting visiting teams, guarding doors, and sweeping the floors between games. Bog Hamblin, athletic director, was in charge with most of the coaches on campus helping out. Tony Deleon was president of the club. The Lettermen's Club's main goal is to wear their lettermen's club jacket with pride and uphold the tradition of Valencia High School athletics.



LOS AZTECAS

First row — Lucia Padilla, Max Guzman, Isabel Barriga, Jose Sandoval, Olga Lava, Faustino Garcia, Rosa Sandoval, Sr. Valadez.

Los Aztecas, under the leadership of Burt Valladez, is a spanish speaking club which meets often and studies the spanish language in detail. Since many students in the school speak spanish fluently, the club always has a good turnout.

ORANGE COUNTY ACADEMIC DECATHLON

O.C. Academic Decathlon — *Front row — (left to right)* Mark Carlson, Dianna Wesson, Roger Kaplan, *Back row* — Mrs. Zukoski, Pat Burke, Mike Grismer, David Jackson.

The Tenth Annual Orange Co. Academic Decathlon was held Saturday, Nov. 19, at University High School in Irvine. Six Valencians participated in three categories — Varsity, Roger Kaplan, Mike Grismer, Scholastic, Mark Carlson, Deanna Wasson, Honors, Pat Burke, and David Jackson.

Categories of participants is determined by grade point average. Academic decathlon competition consists of seven academic tests: career education, literature, fine arts, math, science, social studies, and the Super Quiz. The contestants also must demonstrate his skill in essay writing, conversation, and formal speech.

The Decathlon is sponsored by the Orange Co. Education department. All county schools are encouraged to participate. Winners were announced at the participants banquet held at Disneyland Hotel in December.

PEP CLUB SPARKS TIGERS TO VICTORY

The Pep Club was a small but active organization on campus, especially during the first semester. It joined with other spirit groups and participated in sign painting and the homecoming parade. At the football games the club sat as a group in their identifying blue and gold Pep Club shirts and provided support to our cheerleading squad during the game.

Plans were later made to interest and include more students so support can be given to all the clubs and teams on campus.

Several sports that the Pep Club supported this year were basketball, track and football. Their support was very valuable to the teams' efforts.

Quill and Scroll includes the members of the El Tigre newspaper staff and the Tesoros Yearbook staff on the Valencia campus.

These students work diligently week after week during fourth period to put out their various publications. Jim Drummond heads the El Tigre staff with Kent Coules as editor. The staff continuously puts out an outstanding paper every two weeks. Bernie Davis heads the Tesoros staff with Paul Gilbert as editor. For the first half of the school year the staff works like maniacs, rushing to meet their deadlines.

SAILING CLUB ANCHORS MEMBERS

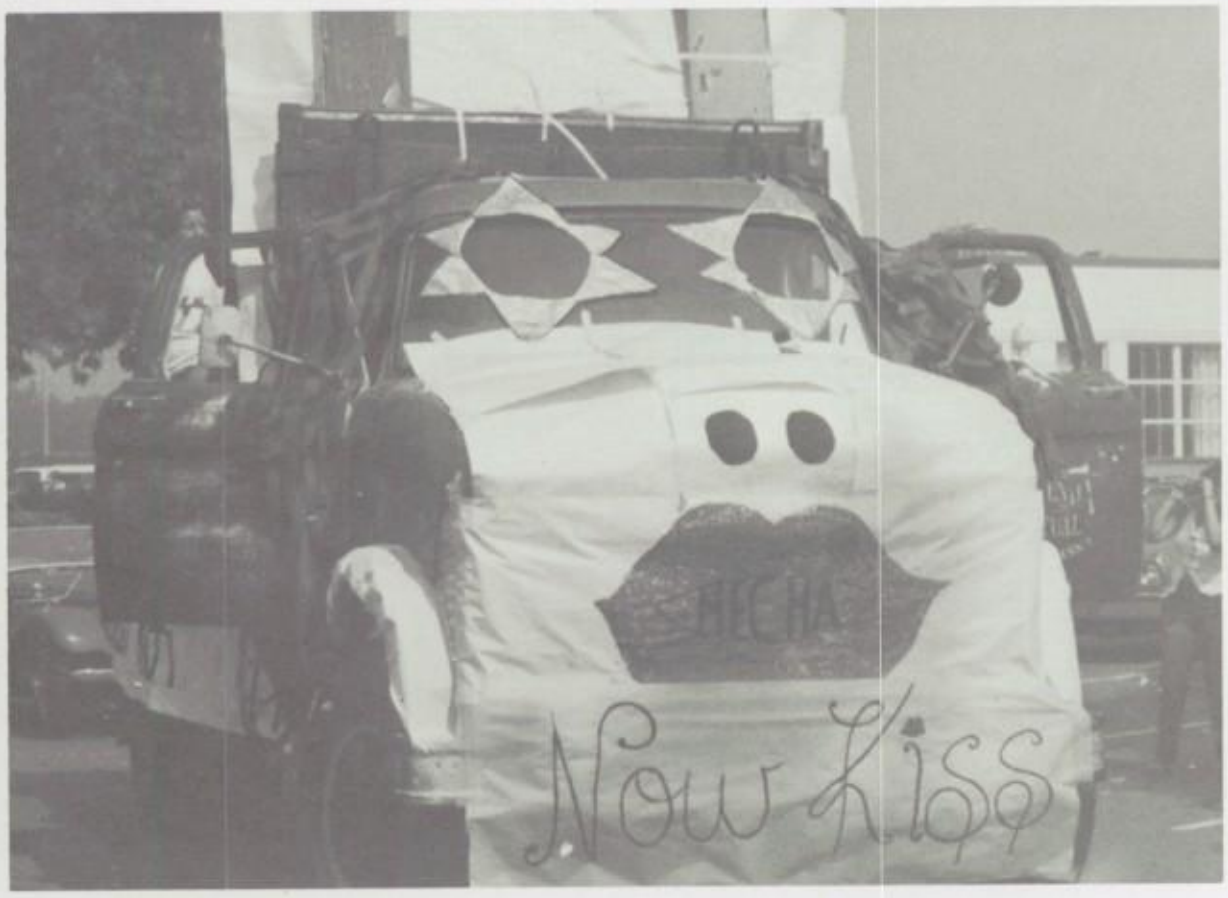
The sailing club has been one of the fastest growing organizations on the Valencia campus. Starting with only four members it has grown to a group of twenty ambitious sailors. This year's sailing club was the most successful so far. The VHS group was privileged to have the use of five 30′ "shields" from the University of California at Irvine campus. Another event for the club this year was their first float entry in the Homecoming parade. Though it was not entered to be officially judged, it was a fine float. There were many "firsts" for this year's sailing club only to be succeeded by next year's Anchors Away.

SCIENCE CLUB HAS ENCOUNTER OF THIRD KIND

Science Club — Grant Lindley, Pat Grismer, Cathy Rigby, Janice Pettingale, Dianna Wasson, Mrs. Phillips.

The Science Club was created for students planning to pursue a career in that field of study. Its purpose was to acquaint members with their specific areas of interest through field trips and guest speakers. This year's outings, funded by a fall bake sale, included a trip to the Corona Del Mar tide pools, a boat excursion to view the whale migration, and a visit to CSUF to investigate the electron microscope.

MECHA CLUB BUILDS FLOAT



The Mecha Club is a movement to better the educational opportunities of all chicano students. Leaders Santiago Segovia and Mary Briggs explained, "The Mecha Club gives these kids a sense of belonging. We hope after students are exposed to our club and cultural activities, they will experience a greater feeling of importance."

The Mecha Club entered a float in the homecoming parade this year under the theme of the rock group "Kiss."

SKI CLUB HAS SNOWBALL EFFECT

This year the ski club abandoned all trips to Mammoth, Tahoe, and China Peak for the lack of lodging.

Otherwise the ski club had a very successful year. Many members went to local ski resorts where the best snowfall was in the past 5 years.

"Local skiing was great. My sister and I were having fun going off four foot jumps," commented senior Julie Armstrong.

"Holiday Hill was cranking. It would have been funner though if Pat Burke hadn't been falling all over the hill," exclaimed Gary Balas.

The group has already planned several trips for next year, including one to Mammoth.

STUDENT STORE OFFERS VARIETY

Students select various items before school and at break, including food, school supplies, and clothing items.

The Student Store provides a learning environment for students to acquire saleable skills in retail selling and merchandising and provides a place for the student body to purchase school supplies, P.E. clothes, and food items.

Opening 30 minutes before school starts, the store is a hub of activity until the bell rings. Students can enjoy a breakfast of hot chocolate and pastries. Other students buy an apple or orange to save for their lunch. Soda pop and assorted fruit juices, candy bars, cookies, beef jerky and fruit pies are some of the many items on sale.

SURFERS MAKE WAVES ON CAMPUS

Surf Club — *Front row — (left to right)* Robert Jones, Jeff Koegel, Greg Caroll, Bob Belfi, Scott Murphy, *Back row* — Craig Miller, Steve LaPalme, Randy Langston, Craig Anderson, Greg Livingston, Glenn Shipley, Brad Stout, David Thou.

In its first year of existence, the surf club was started on the Valencia High School campus due to general interest. It was started for people who already surf and also for those who wanted to learn how to hang ten. The original idea was to compete against schools with previously formed surf clubs, but the idea never fell through. Surfing on Saturdays, the surf club was open to all students was expense free. Group leader, Craig Miller, provided everyone with surf boards and free demonstrations.

V.I.C.A.

V.I.C.A. stands for the Vocational Industrial Clubs of America. Its purpose is to promote vocational skills, promote skill olympic contest, plan spring car rally and each Spring they hold an annual picnic for all advance shop students at Irvine Park.

Many Junior Colleges and major Universities have V.I.C.A. Clubs which are very active in the vocational arts area.

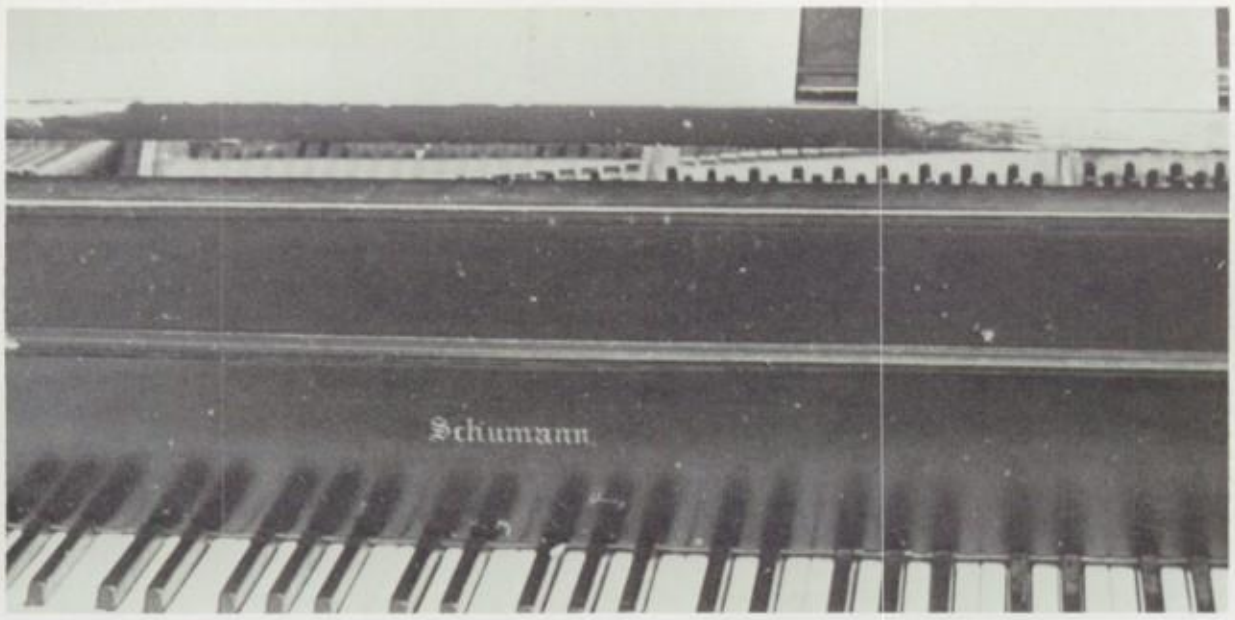
GIRLS GLEE SINGS IN HARMONY

Girl's Glee — *Front row — (left to right)* Mr. Kean, Virginia Bratcher, Cheryl Ellison, Kay Kearney, Becky Bratcher, Daryl Vanderpol, Rhonda Lindemuth, Dessa Manary, Kathy Phister, Debra Taylor, Natalie Costello, Gail Phillips, Poni Wilson, Denise Flores, Dawn Schuster.

The Girl's Glee is a totally unique group of girls, working and striving to unite not only their voices for a good sound, but their personalities and individual interests to better relationship within the group. Starting out with only a small number, each member got to know each other in a realistic way. Throughout the year they achieved their goals of helping one another and learning together.

Their group activities encompassed several areas. They entertained the Placentia Senior Citizens with Christmas Carols during the holiday season, and performed in numerous concerts. Some of which were: The Canyon Festival, Jester Hairston, and Valencia's Pop and Spring Concerts.



Chamber Singers is a select group of 20 auditioned singers. To be a member of this group is an honor, because Valencia's Chamber Singers are more than just singers. They are pianists, guitarists, percussionists, brass and woodwind players, string players, drama students and football players. Their contributions are many and talents are unlimited.

SINGERS MAKE HONOR CHOIR

Chamber Singers — *Front row — (left to right)* Pony Wilson, Greg Davis, Paula Snow, Steve Parkins, Jenny Press, Mike Porter, Lori Campbell, *Back row* — Mr. Kean, Sue Gilbert, Cliff Zierei, Lorretta Chase, Alan Bell, Regina Ashie, Charles Cruz, Donna Garcia, Jim Leitch.

Student Council sponsors more activities on campus than any other group or organization on campus. This year they sponsored freshman orientation, Sr. and Jr. class dances, all homecoming activities and spirit week activities, the second annual faculty basketball game, the canned food drive, the movie production of "The Sting," Just about anything goes, powder puff, and the Beatlemania trip. These were several of the activities they sponsored. They also sponsored assemblies, concerts, and noon activities.

Student Senate sponsored many activities and many fund-raising events this year.

Beginning with the winter formal at the Anaheim Sheratom, the Senate sponsored one of the most successful dances of the year.

Several fund raising projects were the charity fund raiser, Muscular Dystrophy Decathlon, the March of Dimes Walk-a-thon and bake sales.

Painting the trash cans on campus was also supportive to council.

C.S.F. — *(left to right)* Pat Grismer, Mike Meston, Becky Boelman, Leah Lumley, Mike Porter, Grant Lindly, Lori Van Sant, Lori Luisi, Jim Kuep, Shari Ozima, Laura Rigby, Doug Gavel, and Mike Grismer.

C.S.F. is a club that includes students that have accumulated high grade point averages in their school work. To be a member of the California Scholarship Federation, a student must have achieved a G.P.A. of at least 3.5 on his semester report card. Jim Drummond is club advisor. To become a member, a student must show his report card and pay fifty cents to receive his membership card. C.S.F. is valuable to have on your record when applying for college scholarships and admission.

Talent, pride, determination and a new director all came together this year for the band leading them to victory.

The increase in size, sound and precision was evident in the first halftime show. Performances improved steadily throughout the year gaining the musicians a winning reputation.

Among the many awards they received were Second Place at the Chino Band Review, First Place at the Santa Monica "El Primero" Band Review and First Place at the Hawthorne Band Review. Finally they represented Valencia at the Long Beach "All Western" Band Review, the most prestigious event of the band's marching season.

For the band, dedicated hard work has surely paid off in triumph.

Roar of the Greasepaint and Smell of the Crowd, a delightful blend of sparkling comedy and wonderful music, drew rave reviews from an enthusiastic audience.

"Greasepaint" (as it was affectionately called by the cast and crew) was written by Anthony Newley as a commentary on "The Game of Life."

It proved to be an unusual evening for all, as clowns jumped, darted, and dashed about the auditorium. Sir, the chief clown, was expertly portrayed by Michael Porter. Cocky, the new clown trying to "win" the game, was played by Tavio Hurtado, who won the hearts of the audience.

BALAS REPRESENTS STUDENTS

Gary Balas, a senior at Valencia, was student board representative this year. He participated in the school board meetings, having his own seat on the board. He represented the students feelings and ideas as different topics were discussed during the meetings. Balas carried an impressive 3.7 grade point average and plans on attending U.C. Irvine next fall as an engineering major. Balas also participated on Valencia's varsity soccer and tennis teams.

People of the Year

To the Students of Valencia:

Another eventful and highly successful year in the history of Valencia High School takes its place within these pages of Tesoros. They show clearly, now when fresh in memory, and later when the past is less bright, what you have accomplished. The successes of the year are a testament in many things, the staff, your parents, the community, but perhaps more importantly, they are a tribute to you the Student Body. Your pride, your effort, your positive and friendly spirit are really what makes your individual life a success and Valencia a very special school. The faculty and staff recognize and are proud of your accomplishments this year and the contributions mirrored within these pages.

Sincerely,

Robert E. L. Jones

Keeping the campus relatively calm and happy is a big job and our administrators handle it very well.

The people in the main office have managed to hold on to old traditions while supervising many beneficial changes. They watched many improvements take place in Valencia's physical appearance, such as the new paint job and the construction of the new gym.

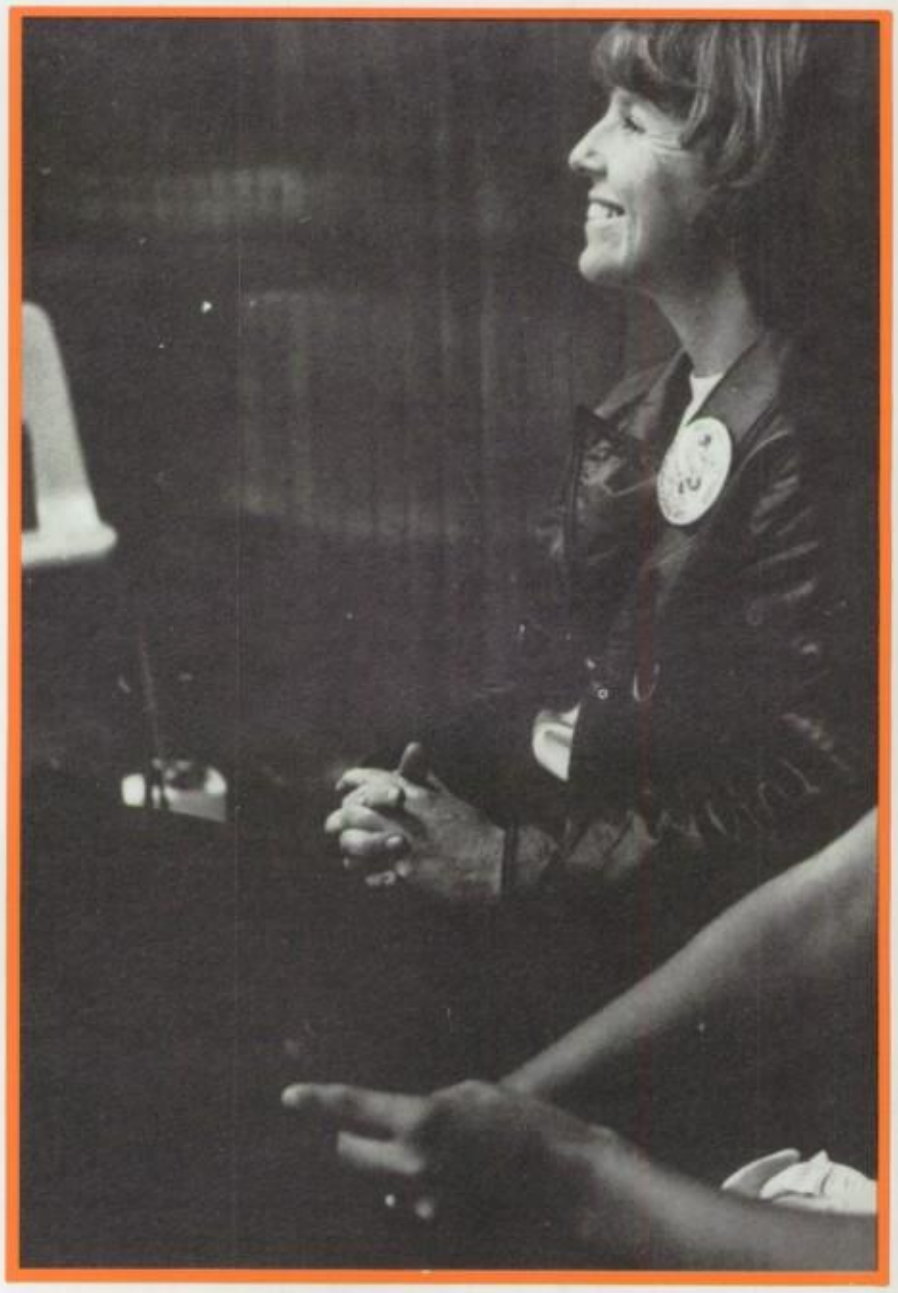
Our counseling and activities people keep Valencia mentally healthy. Helping with problems whether personal or school-oriented is part of every counselor's job. Staying in touch with student interests to plan events that appeal to everyone is also important to campus unity. This is taken care of by our activities director, Bruce Kittilson.

All of our people keep a receptive ear and friendly smile ready for students and are always searching for ways to make Valencia a more pleasant place.

People Who Care

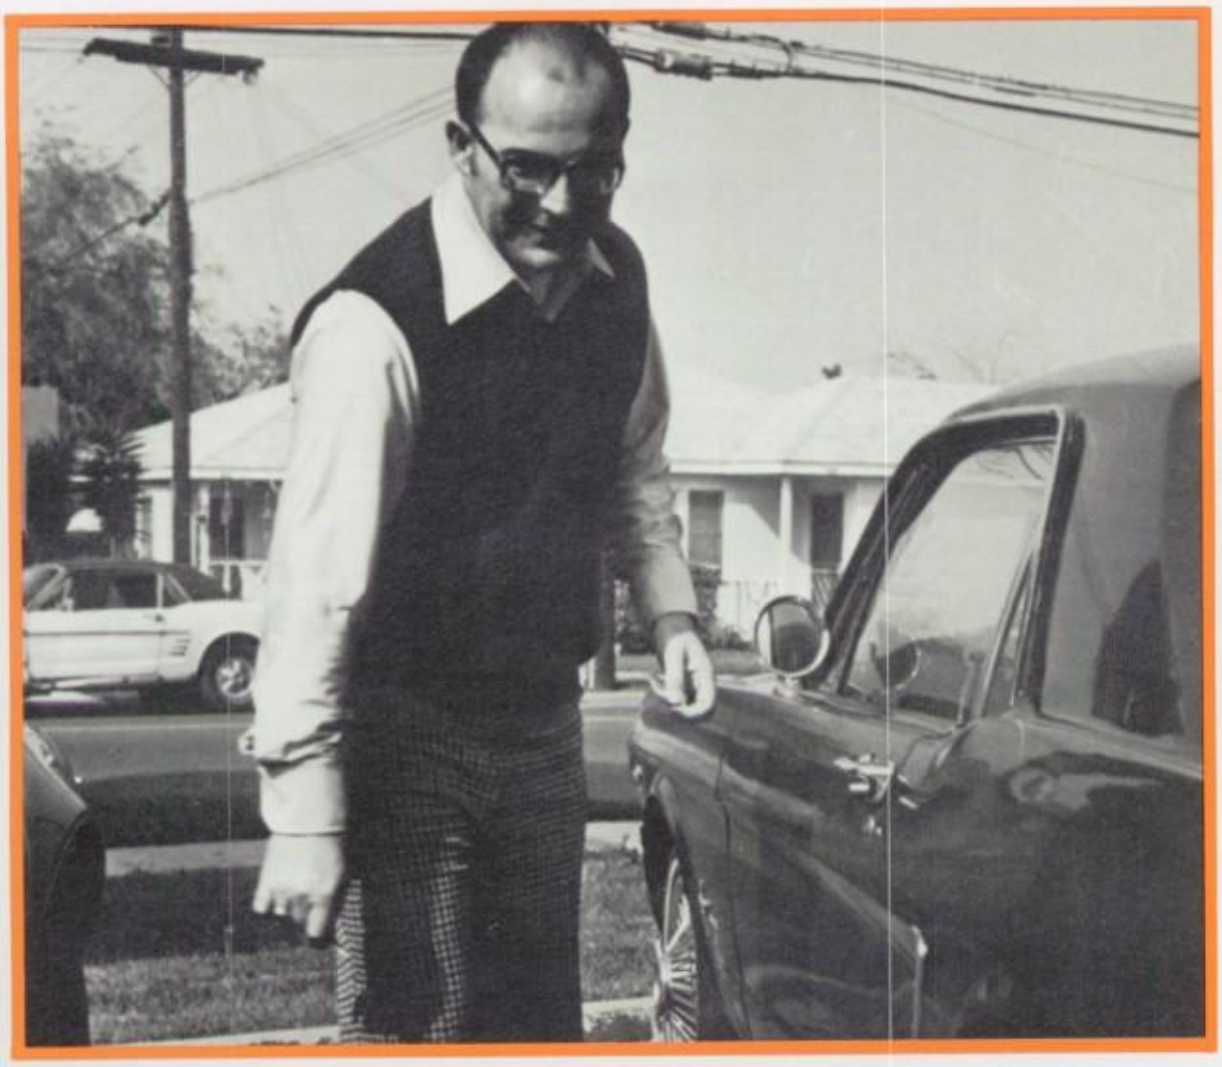
Counseling secretary Marcia Antley gives prompt and friendly responses to students' questions.

Ron Kean, choir director, practices music for upcoming concert.



As pepster advisor, Carol Holst watches her squads perform a successful skit at pep rally for Esperanza football game.

Beyond the Call of Duty

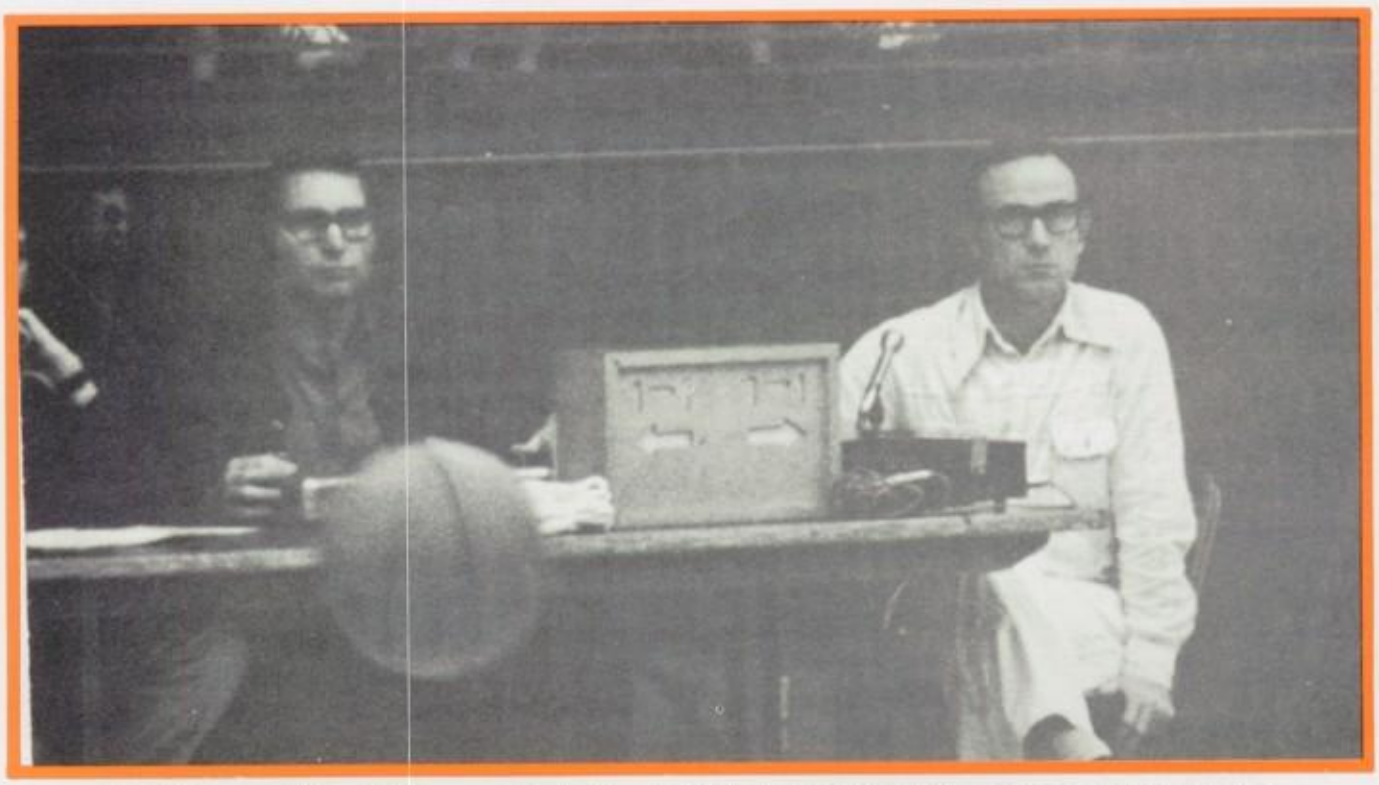


Band director Bill Sumner arrives at seven every morning after driving the long distance from his home in Yucaipa.

Our people at Valencia are special in that they do so much more than is asked of them.

Their dedication shows in the attention they give their jobs. Our faculty works hard to help produce a successful dance, a polished newspaper edition, an exciting class discussion, a superior dramatic performance or an outstanding concert. They give up their time to support us by supervising, taking statistics, or simply cheering for our teams.

But not only are they involved with Valencia, they are part of many other groups and organizations. Some of our people belong to the Placentia Art Association, others to the Placentia Founders Society. Our people sponsor Boy Scout troops and referee games for other schools. These are just a few of the things that make people at Valencia different than those at any other school. They are truly people who care.



Chuck Frazer and Ken Robinson watch thrilling basketball game while taking statistics and announcing.

On every campus in every city there are times when students feel that teachers, principals, secretaries, are unfair, unintelligent, unsympathetic or unnecessary.

Yet, thinking back on it all, where would we be without them? A lot happier? Maybe. But try to remember all the good experiences they have given us. Yes, there were some.

Who can forget the wonderful feeling of relief after realizing that Mrs. Antley has the answers even when nobody else does. Or the thrill of having a teacher who finally makes math interesting.

Our people are always ready with a cheering comment for a low mood or a "congratulations" for a job well done. They concentrate not only on their jobs but on their students.

Because they try to be our friends when they could so easily become the enemy, the faculty and staff of Valencia, our people, help give the campus that special Tiger pride, unity and originality.

We have arrived.

1978 is upon us and now it's time to take the diploma and run. But before you make a mad dash out into the cold cruel world, pause just a moment to look back on the class of '78.

We did O.K. don't you think? Remember when we were freshmen and dared each other to run through the senior quad, only to end up eating leftovers from a day old lunch at the bottom of a trash can? Or how about our sophomore year when that Jones guy with the four first names stepped in as principal . . . in May no less.

Then there was last year, when we captured the sweepstakes trophy for our homecoming entry. And then put on one of the finest proms Valencia has ever seen.

Which brings us to our senior year. We almost couldn't have made it without the quad party. The first dance of the year was sponsored, remember, after we beat El Toro high school 27-7 to win our first season opener in 18 years? We won sweepstakes trophy again too, What a float! How about the Dating Game with Troy high school, or the canned food drive. Then there was that car rally.

All this along with powder puff, donkey basketball and Magic Mountain (not to mention stacking trash cans and picnic tables across campus at mid-night) indicates that we are *the* class that gets involved.

Yes '78 is great, and I'm just glad I'm a part of it.

To The Class of 79

This has been a year of much success, due to the help and involvement of all my fellow classmates. The experiences of being Jr. class president has faced me with many responsibilities. I'm glad you have given me the opportunity to experience it. I also would like to take this time to thank all the people in the class of seventy-nine who helped to make the prom a great success. There's no doubt in my mind and I'm sure there's no doubt in all of your minds that the class of seventy-nine is the best. Thanks for a fantastic year.

Dear Sophomore Class,

To start off I'd like to say *What's Happening*. This year has been very exciting for the class of '80. We first got most inspired, then we had one of the most exciting Band showcases in Valencia history. We were the first class to get T-shirts so that every sophomore could be recognized. This year as sophomore class president, I was proud to represent my class. When you think of ambition, goals and successes, these are the true heartbeats of the graduates of the class of '80. This year we have proved what real Valencia students should be, together in what they o and outstanding in what they try. The sophomore cabinet would like to wish everyone of you the best of luck, and may you remember that the class of 1980 is awesome!

Thank you,
Delbert G. Sessions

The class of '81 has brought much spirit and pride to Valencia. During our Freshman year we have helped build the band into a top contender in this district. In sports, the football team improved greatly and gained experience toward their varsity years. The positive outcome of Homecoming brought about by many long hours of diligent effort was a trophy for Best Workmanship.

We have great hopes and aspirations for further achievements in academic, athletics, and social activities.

The 1977 Valencia High football team was the surprise of all Orange County with a 4-3-2. Coming off a 1-8 overall record last year the tigers found some teeth to scare some and win some. The blend of talent and coaching also won coach Norm Parker the coach of the year award for the Orange League.

The 77 Tigers set out to achieve records and give some direction to the Tiger floundering football program. With the goals set all that remained was to play the games, and with the conclusion of the first game a tradition was set. It had been 16 years since an opening game was won but the Parker Tigers did the job. Homecoming to any school is a major event and this year for Valencia not only was it a big event but also it was a victory celebration. This was the first time since 1972 the Tigers won a homecoming game with a sense of pride and a path to follow the lower division also improved themselves. The fighting sophomores battled to a 3-6 record while the scraping freshmen ended with a 4-5 winning the last three games in a row. One can see that the Tigers can now always be counted on to join the hunt for C.I.F. Championship.

The future is bright, a new dawn is on the rise. Stability, poise, and confidence are Key words to the Tigers. With A coaching staff together now longer than a year, strong leadership coming from within and young talented Athletes with championship character the Tigers will be a team to be reckoned with next year and in the future. For the Tigers the future is now.

After a brutal freshman year, the sophomores, under new leadership, showed they could win by hard work, poise and concentration.

The freshman football team enjoyed one of its better seasons in 1977. Although their record was only 4-5, they could have compiled a 9-0 record if a few breaks had gone their way. They allowed only 51 points to be scored against them during 9 games.

The young Tigers won their last three games, and demonstrated that they can be counted upon to help in developing a winning Valencia football program in the years to come.

NETTERS GO WINLESS

The varsity tennis team composed primarily of newcomers to varsity competition, suffered through a winless season. Nevertheless, individual players achieved the satisfaction of seeing their own skills increase and team scores go up as the season progressed.

At the awards banquet, Diane Armstrong won Most Improved, Deidre Spalione, Coaches Award, and Wendy Swanson received Most Valuable.

HARRIERS WIN VALENCIA'S FIRST

Varsity Cross Country — Coach Ocana, Ricky Cisneros, Luis Rivera, Tom Mirek, Mike Hoeller, Phil Castillo, Joey Gomez, Leonardo Sandoval, Jose Sotelo.

After many years and thousands of miles, the Valencia varsity Cross Country team realized its long sought after goal of being the CIF champions.

The season began with many major setbacks. Top runner, Ricky Cisneros, was sent to the hospital for several weeks with a respiratory infection. Others were sick and running below par. This left number one man, Joey Gomez and the remaining healthy runners to pick up the slack which they did.

EVER CIF CHAMPIONSHIP

The Tiger harriers took second in the Orange League with a 6-1 record, losing only to cross town rivals, El Dorado. The El Dorado meet saw the return of Cisneros and the comeback of the Tigers.

CIF prelims saw a tightly knit Valencia team in the position of just trying to qualify for the finals. They easily finished behind the number one team, Buena Park, to reach the finals.

The Tigers went into the finals with a slim shot at the championship. The finish of the race saw Cisneros winning the individual championship in his fourth race of the season. Joey Gomez finished fourth, Luis Rivera, sixth, Leonardo Sandoval, twelfth, and when Phil Castillo crossed the finish line in a scoring position, the Tigers had 50 points and a CIF championship.

WATER POLO

The Tiger poloists finished the season with an overall record of 10-7. Though their league record was only 2-5, the Valencia water polo team was either tied or ahead in four of the five losses in the fourth quarter.

The leading scorers for the team were Jeff Hardin with 40 goals for the season, followed by John Olivier with 33 goals and Todd Hope with 30 goals.

Valencia was fortunate to have two fine goalies this year. Starter, Karl Reiter, was one of the better goalies in the Orange League. Karl was an Honorable Mention on the All-Orange League team. Ken Pintus, was also a goalie. Ken could have started on many other teams. The action shots on this page show the intensity in which our poloists played this year.

SPIKERS HIGH HOPES TURN

Under new head coach Sue Sabota, the team had great hopes, with four starters returning including Mary Ippolito, Karen Krieger, Lori Lanctot, and Jenny Stoner. Playing in one of the toughest leagues in Orange County, the Spikers just couldn't put it together during the year.

Other highlights of the season included winning their own Valencia Lettermen's tournament and winning the Pioneer tournament with a come from behind victory over San Marino.

The tigers were led by Orange League Player of the Year and first team all county selection Paul Gilbert who averaged 25 ppg. Giving Paul a big helping hand this year were the 2 Davis brothers, Stan and John, who scored at a clip of 17 ppg and 10 ppg respectively. The sophomores had a very disappointing year with a 7-13 record overall and 5-9 in league. Other highlights of the season were winning the Consolation title in the Canyon tourney.

GIRLS SHOOT FOR

Under new coach Sue Subota the lady basketeers suffered through a 9-5 season. At times it looked like they were the best in the league while other times they looked like an average team. Part of this can be attributed to the young age of the team as they had only 2 seniors on a squad of 10. The Tigers were led through most of the year by Jenny Stoner, Pia Larson, Denise Roberts and Lelia McLaughlin.

Many school records were set by the team including the medley relay, the 100 meter breast stroke and the 50, 100, 200, and 500 meter freestyle.

Sending Chad Nichols to CIF completed the season leaving the fish looking forward to next year as enthusiastically as they look back on this one.

GOLFERS WIN SEVERAL MATCHES

The Valencia golf team had another enjoyable season practicing and playing at the beautiful Alta Vista Country Club. Provided with free facilities every year at the nearby course, the team hits range balls and plays on the course itself almost every day. In matches the team played courses such as Yorba Linda C.C., Western Hills C.C., Anaheim Municipal, Anaheim Hills, and Imperial. Most of team members go out for fun and fresh air. They also are very serious about their golf game. Coached for the second year by Chuck Frazier the team showed marked improvement from last year. Coach Frazier himself showed vast improvement in his own golf game as he made a hole-in-one with a seven iron on the 156 yard 9th hole at Anaheim Municipal Golf Course. It was truly a remarkable feat. The team itself won several matches but found itself outmatched in league competition. Kent Coules, a four year letterman leads the team as number one man almost always shooting in the 70's. Earl Weserling played number two man most of the season, showing vast improvement from the previous year. Other varsity team members who switched positions from match to match were Craig Johnson, Chris Bailey, Matt Arnold, Brian Winney, and Larry Shaw.

EXPERIENCED TRACKSTERS RUN

With many returning lettermen from last year's second place O.L. finish, the Valencia tracksters are well on their way toward their goal of an Orange League title. The tracksters have already defeated their crosstown rival El Dorado along with picking up an easy win against Fullerton. The tigers are led by Randy Castner, Jeff LeGrand, Rickey Cisenerosand, Joey Gomez in the running events and Bob Harley, Mark Halverson, Matt Sturms, Steve Bruce and Randy Castner again in the field events.

J.V.'S SPRING TO VICTORY

The J.V. track team is hoping to follow the footsteps of the varsity track team this year and also make a strong challenge for the O.L. title. Made up of basically sophomores this team with a good showing could help keep Valencia's showing in track the next few years strong and can also help build a program that Valencia can be proud of. The J.V. team is led by Frank Jancek, John Evans, Delbert Session and Kevin Taylor.

SOPH-FROSH SMALL BUT MIGHTY

The youngest members of our track program the frosh-soph team also is fielding a very fine team this year and also has a shot at bringing home the O.L. title to Valencia this year. All the members on the team are freshmen this year so they lack experience but what they lack in numbers they make up for in sheer talent. We look forward to seeing many of these young athletes on our varsity teams in the future years.

GIRL SPIKERS KEEP

This year's track team can look forward to many more records being set this year as they did last year as most of their members return in top form once more. Leading the pack of upperclassmen are Rhonda Patcha, Mary Ippolito, Katy Dollard, and Sue Kelly. Under the direction of Coach Sheila Wilson the Tiger tracksters are once again ready to devour their opponents on the track.

The track team is also looking toward a fine season as our coaching staff is going to build the young competitors into the stars of our future track teams. Some of the frosh-soph stars of this year are Joyce LeGrand who in the last meet set a new school record in the 2 mile run and Karen D'Sidockey who has made several fine showings already this year.

After a very fine season as a J.V. team and with many returning lettermen the boys baseball team is striving toward another Orange League title for Valencia this year. Under fourth year Coach Bill Borning, the tiger batsmen are led by Tom Bennett, Kelly Rosas, Don Reynolds and John Morrisseau. As of this writing the tigers stand 2-2 in league defeating Esperanza and La Habra while losing to El Dorado and Number One ranked Fullerton. But with 10 games still remaining to play, the Tigers are still very much in the race for the O.L. title.

J.V.'S LOOK TOWARD REPEAT

Looking back on a successful season, the Junior Varsity baseball team hopes for another good year.

With only one loss so far they are keeping their winning reputation. Under Coach Steve Gullotti they show great potential.

They are waiting to be next year's Varsity.

Right — The Valencia J.V. Baseball Team — *Front row — (left to right)* John Berryman, Mike Meston, Steve Smith, Ron Benedict, Mark Lopez, Dave Hammond, Todd Westburg, *Back row* — Mark Scheidler, Ron Navvarette, Raymond James, Mark Barrecca, Bill Bellfi, John DeLa Riva, Jody Sims, Coach Gullotti.

FROSH-SOPH SEEK VICTORIES

Front — (l-r) Pauly Pina, Tony Zavala, Johnny Rosas, David Holst, Bill DeVillez, Junior Segovia, Ken Lopez, *Back — (l-r)* Bret Cavanaugh, Kevin Lyons, Mike Echner, Victor Rodriquez, Scott Rosner, Tyler Carbone, Gary Shumway, George Salcido, Kevin Wilson.

Looking for an Orange title this year, the frosh-soph Baseball Team started off on the right foot by defeating crosstown rival Esperanza in their opening league game. The Tigers are under the direction of Coaches Mike McClean and John Winek. With the young talent these teams possess, the baseball program at Valencia can look forward to many, many more prosperous years ahead.

Upper left — A hustling play in the infield stops runner from advancing any further on the base paths. *Upper right* — Unidentified player throws hard in attempting to get runner at first base. *Bottom left* — Good young arms on the pitching staff is the key to success in baseball. *Bottom right* — Another important cog in the team is a good solid first baseman.

SOFTBALL LOOKING

With most of last year's team returning this year's softball team is looking toward the CIF title. After winning the league title with a 13-1 record, the girls advanced to CIF and reached the semi-finals before eventually losing. But with returning lettermen such as Maureen Rickerel, Lori Lanctot, Marye Alice Ghee, and Delaine Olivas, this year's team will again make a strong bid for the title. As of this writing, the girls are 2-0 with Maureen throwing a no hitter against Villa Park in the second game and Maureen and Mayre Alice combining to 1 hit Cypress in the opener.

Top — Maureen shows her patented fireball as Janet Kibbey looks on. (Maureen threw a no hitter the second game of the year.) *Middle left* — Delaine Olivas keeps in practice in the outfield. *Middle right* — Catching a fly ball after good communication by the four members shown. *Bottom* — Mardee Holst makes a diving catch of a ball.

FOR CIF TITLE

The girls on the J.V. team are also putting many hours of work this year and are hopeful to have a very successful year also. Made up of basically Freshmen and Sophomores the squad knows that Valencia has a very strong tradition in softball and they are going to do everything in their power to keep that winning tradition alive on the lower level.

Top — Lori Pichon shows her form in pitching a softball. *Bottom left* — Marye Alice rears back to let a pitch fly. Along with Maureen, Marye Alice gives us a good 1-2 punch in pitching dept. *Bottom right* — Unidentified player shows her arm in throwing the ball back to the infield.

NETTERS HAVE HIGH HOPES

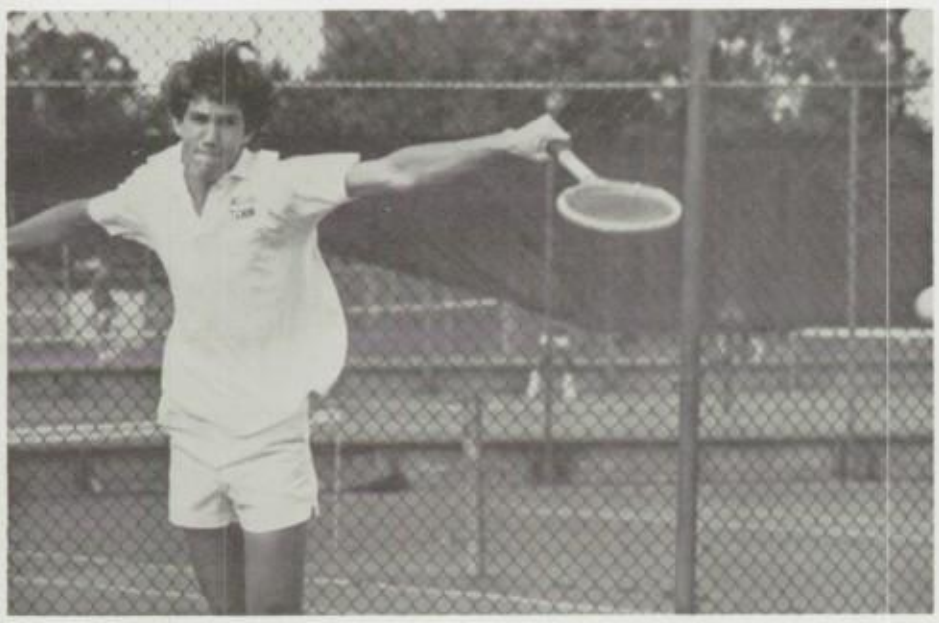
After a disappointing season last year, this year's tennis teams have high hopes for successful seasons. Under new Coach Ken Robinson, the tiger netters are led by returning lettermen Dick Pappas, Stan Davis, and Fernando Calderon. This year the team is fielding a young squad which gives great promise toward the next couple of years and into the future. As of this writing, the netters have posted only one win against a tough Santiago, but have fought hard while losing the others.

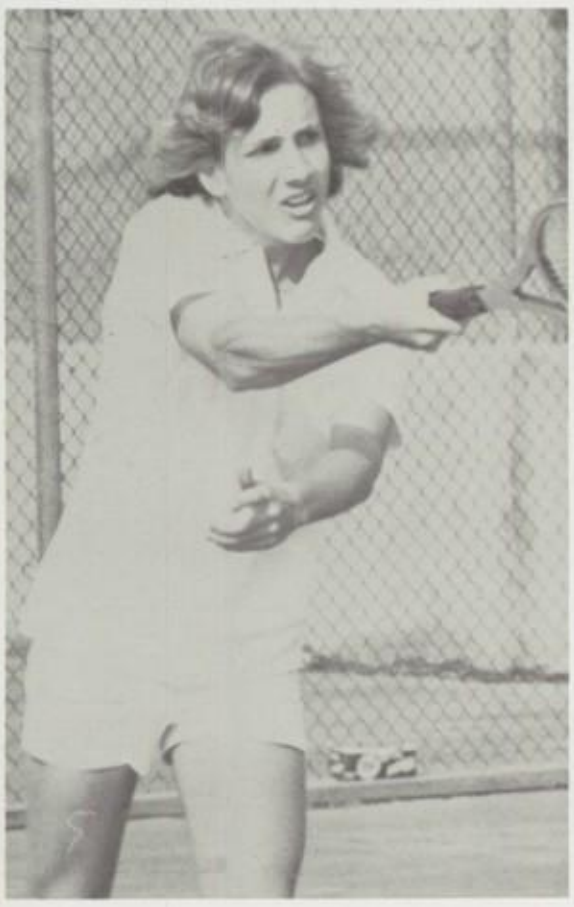
Front — (l-r) Jeff Davis, Leo Calderon, Gary Balas, Fernando Calderon, *Back — (l-r)* Mike Grismer, Stan Davis, Dick Pappas, Doug Gavel, Coach Ken Robinson.

Upper right — Fernando Calderon returns volley to opponent. *Upper middle* — Stan Davis takes a straight aim on ball. *Upper left* — Dick Pappas follows through on backhand return. *Bottom left* — Jeff Davis and Mike Grismer warming up before doubles match against some unfortunate opponent.

J.V. NETTERS LOOKING GOOD

Team Picture — *(from left to right) Front row* — John Ruggles, David Hubbard, Mark Libidinsky, Steve Schrepferman, Javier Villareal, Wes Ozima, *Back row* — Coach Bell, Bruce Flander, Glen Shipley, Joe Stratten, Dave Norman, Bob Barro. *Upper left* — Dave Norman shows excellent backhand. *Upper right* — John Davis returns ball with top spin. *Lower left* — Mark Libidinsky proceeds with a forehand return. *Lower right* — Scott Wardlaw shows correct serve follow-thru.





In spite of hard work and effort, JV and Frosh-Soph tennis started the season with defeat.

Still hoping for a comeback however, the team conquered disappointment and continued to practice with high hopes. They display true Tiger spirit.

FH'S EFFORTS UNREWARDED

The VHS Field Hockey team under new Coach Ellen Bates suffered through a disappointing 0-10 record. Even though the girls were inexperienced, they never were out fought. The Tigers were led by MVP Leah Lumley and Most Dedicated Player Tracy Gough.

Front — (l-r) Jill Robertson, Lisa Stoppler, Laura Virgo, Sherry Mitchell, *2nd — (l-r)* Nancy Scott, Cindy Felipe, Dedee Wiedner, Kathy Meston, *Back — (l-r)* Coach Ellen Bates, Teresa Gough, Risa Lumley, Elaine Wallace, Irene Gough, Leah Lumley.

SWIM TEAM GAINS MEMBERS

With an increase in the number of members, girl's swimming hopes for a change from last year's winless season.

Many returning members help the hard working team's chances for victory.

They swim miles to represent Valencia in the grueling and difficult sport of swimming.

The Swim Team — *(from left to right) Front row* — Cathy Cassotta, Karen Lash, Lisa O'Brien, Jenny Arnold, Julie Armstrong, Diane Armstrong, Lisa Reiter, Mona Wilson, Karen Krieger, Linda Geduld, Shawn Townsend, Loralee Clark, AnnaMarie Jancek, Yvette Hornay, Linda Kelly, *Back — (l-r)* Carrie Cole, Lisha Adams, Tracy Hammond, Laura Stoeppler, Shelly Masin, Stacy Stout, Robin Borzone, Sue McCormick, Christine Lowy, Marianne Harvey, Julie Garrett, Michelle Xavier, Deanna Wasson, Cathy Gardner, Kare Stoll, Tammy Chantiles, Lisa Ridgeway, Sandy Collar, Coach Tom Grimm. *Middle left* — Unidentified swimmer pushes it hard through the last lap. *Middle right* — Karen Krieger shows winning form in ther diving. *Lower left* — Karen again showing beautiful form in this dive. *Lower right* — Swimmers take many laps during practice as shown here.

After taking trophies in three out of four marching competitions, the VHS Drill Team completed their season with a spring show on May 18th in the VHS gym.

The eleven routines of the evening were performed to music ranging from **More Than A Woman** of **Saturday Night Fever** to **One** from **A Chorus Line**, with a finale using **black light.**

Drama Stages Scottish Musical

Brigadoon, a combination of comedy and mystery, was this year's last musical production.

Set in the forests of Scotland, the story is of two Americans who lose their way and wander into the enchanted town of Brigadoon which appears for only one day every hundred years.

Top right: American Tommy Albright (Steve Parkin) dances with Fiona MacLaren (Loretta Chase). Center left: Jeff Douglas (Ray Lanctot) meets Meg Brockie (Shari Strain). Center right: Fiona with jealous Harry Beaton (Kirk Chase). Bottom left: Tommy pleads with fiancee Jane (Rebecca Boelman). Candy Sale Nets $9.000

Top left: Student grabs for prize while Coach Parker and Mr. Kittleson look on. Top center: Lorri Slicker tries to win fabulous prizes offered in grab-bag. Top right: John Loth grabs two tickets for Prom. Above: Stacy Stout receives her first place prize, a new Moped.

The Almond Roca candy sale brought faculty and students together to drive for a common goal of $5,000.

The money earned will be used to purchase improvements for the campus; a new victory flag pole for the quad area and new weight room facilities are among the projects envisioned.

Top sellers are: Stacy Stout, who won a $500 Puch moped, Jerry Cogley, who received an $80 10-speed bike and Carlos Quinonez, who won a stereo worth $80. This makes a total of $660 in top prizes.

The top sellers for each day dipped their hands into a jar of nickels and kept what they could hold. Daily enthusiasm centered on the noon-time "grab bag" for students selling one case of candy or more. Tickets to **Beatlemania,** a trip to San Francisco, and Disneyland passes enriched the grab bag which included over 100 other prizes.

The sale, sponsored by the student council, was particularly aided by the work of Regina Ashie, Pat Kelly, Mark Halvorsen and Dick Pappas. Bruce Kittelson, activities director, said, "We can be proud of Valencia because of the support displayed in this fund raiser."

Prom - an "Oasis"

"Midnight at the Oasis" came to Valencia on April 28th in the form of Prom at Lion Country Safari. The featured band this year was "Organized Crime" who, during the summer, entertains at Magic Mountain. Other highlights of the evening were a mime show, free train rides and boat rides. Pictures were taken by Executive Portraits of Anaheim. In an entirely new plan for favors this year Champagne Glasses (unfortunately unfilled) were given to each couple in attendance. The Junior class used many fund-raising events to finance the prom including a four day slave sale in which senior Andy Kelly sold for an unprecedented $35 to seven screaming freshmen girls. Other events included a car wash and a bake sale.

Cinco de Mayo at Valencia

This year the Cinco de Mayo celebration was truly a part of the Valencia High School campus on may 5. Cinco de Mayo, a Mexican heritage day which stands for freedom in Mexico, is celebrated yearly like our 4th of July.

On May 5th a special assembly was held at lunch, in which a group entertained the crowd with music and dancing. At lunch Santiago Segovia and the Latinas Club sponsored a burrito sale which raised money for their club.

During the same week a slave sale took place at lunch in which students were sold for various prices.

Overall, Cinco de Mayo day at Valencia was more realistic than any other year in the past.

Juniors Break Powderpuff Tradition

A disciplined junior powderpuff team, defeated the seniors 6-0, for the first time in six years, on Friday, April 28 at Bradford Stadium.

Size and experience favored the seniors going into the game. The juniors lacked size but had quickness and a good defense to their advantage.

With a large crowd on hand, referees, Steve Guolotti, Norm Parker, Chuck Frazier, and Bill Borning, got the game underway.

Consisting of four eight minute running clock quarters, the game moved along swiftly. After several ball possessions, neither team seemed to be making much progress.

The juniors managed to score first which proved the only score of the game, and all they needed for victory.

On a short screen pass over the middle, quarterback, Katy Dollard, managed to hit Mary Alyce Ghee over the middle. Ghee, then cut across the grain and ran outside down the right sideline to outrun her nearest pursuers.

Two hundred seventy-three Valencia seniors received their diplomas at graduating exercises in Bradford Stadium this year. The group was escorted to their places by fourteen members of the Valencia faculty in full academic robes.

According to Mr. R.E.L. Jones, principal of V.H.S., members of this year's graduating class have received over $200,000 in grants and scholarships.

Bette Dunn and Marve Briggs, Valencia counselors, announced the names of each senior as members of the school board delivered the diplomas. Jones congratulated each student as he switched the tassel of the student's mortor-board from the left side to the right side, a traditional symbol of the graduate.
